Locking
Cable

Materials

Main Body: 3/16" steel plate
Security Cable: 3/16" vinyl coated cable
Optional Wall Guard: 14g aluminum plate

Finishes

A black powder coat finish is our standard option. A galvanized, stainless and thermoplastic coating are also available as alternate options.

Installation Methods

Concrete wall mounted use 3/8" drop-in anchors with tamperproof screws. Wood and drywall mounted use lag screws. Concrete block uses drive-in anchors.

Space Use and Setbacks

Ceiling height: 78" is the minimum ceiling height. The top of the rack should have a minimum height of 68"

Distance Between Racks: 28" is the minimum distance between level racks. 17" is the minimum distance between racks with staggered heights.
