

The Commons Table

8 ft - CMT

ASM-CMT Cedar Planks

The Commons Picnic Table provides a 40¹/₂" x 96" surface with comfortable easy-accessible seating for 8 adults, without needing to step over support boards like many traditional picnic tables have. The decorative black colored *Green-Scapes* leg frames and seat supports have the appearance of ornately detailed cast iron, but are molded from solid recycled plastic so they will never rust nor need painting.

The Commons table is ideal for those outdoor picnic areas where easily access and ample wheelchair accessibility are needed, as both ends have full ADA wheelchair access standard.
