

EVENT RACK

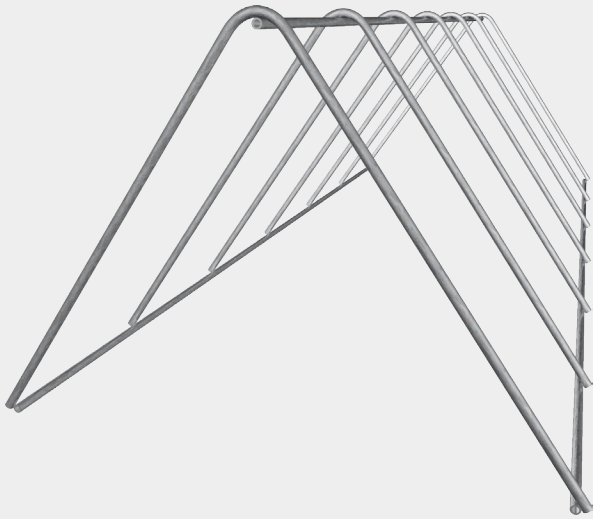

Move 'Em and Stack 'Em

The Event Rack is an innovative design that addresses the needs of any game, festival, or event requiring temporary and secure bike parking. It is easily moveable, stackable and requires no assembly. Each Event Rack can accommodate 14 bikes. When your event is over, stack the Event Racks in a pick-up, van, or trailer, and store in a minimal amount of space.

The Event Rack is a freestanding unit that can easily be placed by two people.

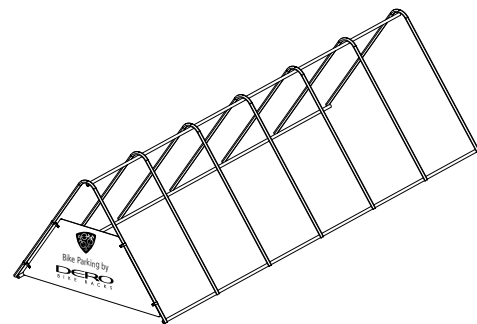

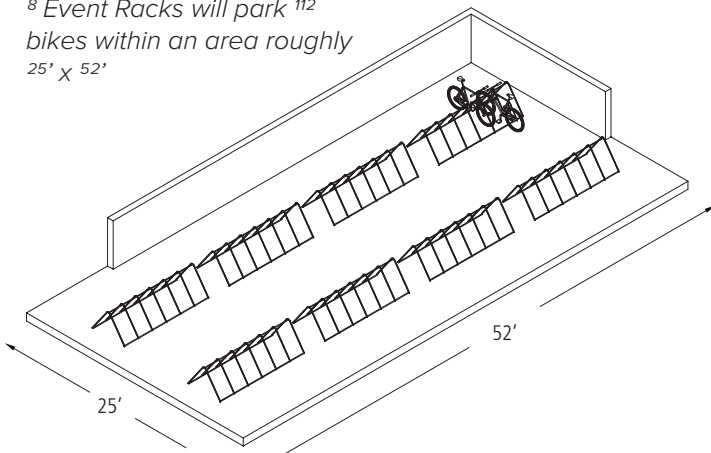

SETBACKS

10 Event Racks Stacked

8 Event Racks will park ¹¹² bikes within an area roughly 25' x 52'

Personalize Your Parking

Promote your sponsors or message with the optional ad kit. Dero can produce full color signage with your own customized message and graphics. Use ad revenue to offset bike parking costs.

Contact us for more details on this option.
