TANDEM 6 BASKETBALL BACKSTOPS

541-636, 541-756W, AND 541-936 UNITS

Fabricated from one 3.5"OD galvanized single bent support post and one 3.5"OD 8 gauge, galvanized tandem post. Backboard shall be mounted directly to post.

542-917 Official Goal & Nylon Net: Rim shall be constructed of an official 18" diameter high carbon 5/8" thick steel ring with 12 wire formed no-tie net locks. Supported by 1/2" diameter steel braces. Back plate is 3/16" thick and 7" wide. Nylon net is 120- thread count with hourglass shape.

BACKBOARD OPTIONS

542-600 Aluminum Backboard: The fan shaped 35" x 54" 1 1/4" thick aluminum backboard shall be permanent molded with a #319 aluminum alloy having physical properties to prevent cracking from impact forces. Thickness of the playing surface shall be 3/16". Reinforcing ribs and flange shall be 3/4" deep and 3/16" to 1/4" thick. The area for attaching the goal and bolting to the post shall be 7/16" thick with four holes accommodating 5" x 5" and 4 7/32" x 5 1/8" goal hole patterns. All burrs and sharp areas shall be ground and sanded smooth. The complete board shall be powder coated white with a baked on polyester paint. Silk-screened targets and/or borders are optional. Molded in bosses shall be drilled and tapped for 3/8" – 16 machine bolts for attachment of optional support braces. Cast aluminum backboards carry a lifetime warranty when mounted "goal to post".

542-700W Welded Rectangle Aluminum Backboard: One-piece aluminum board measuring 48" x 72" has a 1/4" thick face rigidly reinforced with 3/16" horizontal and vertical aluminum channels that are welded to the back of the backboard. All burrs and sharp areas shall be ground and sanded smooth. The complete board shall be powder coated white with a baked on polyester paint. Silk-screened targets and/or borders are optional. Cast aluminum backboards carry a lifetime warranty when mounted "goal to post".

542-200 Acrylic Rectangle: The backboard shall be formed from 3/8" thick acrylic plastic with 1" x 2", gauge steel tubing reinforcing the edges and center. White border and target standard. Four holes accommodating 5" x 5" and 4 7/32" x 5 1/8" goal hole patterns.
