

## **Ultra Space Saver** Single

When you can't park your bike horizontally, on the floor or on the ceiling. The Ultra Space Saver Single is your parking solution. A smaller version of our Space Saver Modular System, the Single parks your bike vertically and mounts onto nearly any wall type (except metal studs). U-lock capabilities make this rack great for property managers as well for home storage use. Quick installation only requires 4 anchors drilled into the wall. Save room today with the Ultra Space Saver Single, or check out the whole modular system if you need to park many bikes.
