Product Description

The 36 gallon Expanded Metal Receptacles are an ideal choice for public environments. Their see-through mesh design is a great safety feature for seeing what's in the receptacle. This mesh design also allows this unit to be used without a liner if desired. For additional style, five optional tops are available for the units.

Product Features: - Hot dipped galvanized or powder coat finish for maximum wear resistance - Added vertical ribs for reinforcement - See through mesh is great for added safety in public areas - Lid options include Dome Top, Flat Top, Rain Cap, Swing Top and Ash Top - Optional 36 gallon liner available
