### Product Summary

**Dimensions:** 38"L x 57"W x 29"H

**Weight:** 500 lbs.

### Product Description

This rectangular, concrete table will seat up to 4 people comfortably. Its recessed leg angle provides both ample leg room and a durable design. This table has a variety of outdoor applications with both commercial and residential locations.

Concrete picnic tables such as this one compliment their surroundings with their earth tone aggregates. It features polished seats and table top that bolt together to create a solid unit.

**Product Features:** - Seats up to 4 people comfortably - Beveled seat and table top edges - 3 leg colors and 4 table top colors available - Chip resistant

Optional plaques are available. Please call for pricing.
