Product Summary

Dimensions: 69"W x 29"H

Table Width: 40"W

Weight: 1,000 lbs.

Product Description

This octagonal, concrete table will seat up to 8 people comfortably. Its four-legged base provides a sturdy foundation and gives the table a modern style. Each seat has the mounting leg centered on the bottom side to allow for easy access and maximum leg room when seated.

The seats, legs, and table top have been reinforced with specially-designed steel truss frames for added support. All of the corners and edges on the table are beveled for safety purposes which also helps to reduce chipping.

Product Features: - Steel reinforced seats, top, and legs - Beveled edges - Chip resistant - 3 leg colors and 4 table top colors available

Optional plaques are available. Please call for pricing.
