Product Summary

Dimensions: 48"L x 24"W x 31"H

Weight: 450 lbs.

Product Description

This concrete bench is designed to be a long-lasting, attractive, and comfortable addition to any location. Its pre-cast concrete construction makes it simple to clean and virtually maintenance free.

Thanks to its sturdy concrete construction, even in heavy use applications such as street benches, it's a worry-free seating option.

Product Features: - Sturdy concrete construction - Virtually maintenance free - 3 leg aggregates and 4 seat/backrest aggregates available - Mounting brackets and concrete pads available
Concrete Pad purchases include the optional securing brackets.
