Product Summary

Dimensions: 48"W x 48"H x 28"D

Capacity: 500 liters / 132 gallons

Product Description

If you require a litter receptacle in a wooded area or anywhere where wild animals frequent this receptacle offers the perfect solution. The Animal Proof series of receptacles are specifically engineered to keep critters (large and small) out. They serve as the perfect solution for resident ail, commercial, or cottage use while coming in a compact package with easy assembly.

Please Note: Mounting hardware is included with Cement Pad addition but is **not** included with standard unit.

Features: - Versatile anchoring options - Keeps animals out - Residential or commercial applications - Optional cement pad available for mounting - Rear access door features similar latching mechanism as top door
