Product Page: <https://www.terraboundsolutions.com/product/bike-hook-solo/>

Product Summary

Dimensions: 3.5"W x 10"H x 5.75"D

Capacity: 1 bike

Includes: 48" locking cable

Product Description

The Bike Hook Solo provides a simple, space-efficient way to store and lock up your bike. The rack includes all necessary hardware for mounting to the wall and an integrated 4 foot security cable to help keep your bike secure. A metal rear wheel plate is available as an optional add-on to protect your wall from wheel scuffs. Made in the USA with US steel.
