Product Description

One car or ten bikes? Maximize parking for customers at your business with on-street bike parking. The Cycle Stall Kit Basic kit covers the needs of cities and businesses that want to provide an on-street bike corral at a low cost and minimal changes to infrastructure.

Designed to fit within a standard size car parking space, the Cycle Stall Kit Basic comes in standard single or double length kits, or can be customized to suit your needs.

Single Rack Includes: bike rack, 2 recycled plastic car stops, and 2 bollards.

Double Rack Includes: 2 bike racks, 2 recycled plastic car stops, and 3 bollards.

Stainless steel option available. Please call for quote.
