Product Description

With 24 percent more interior floor space than other units in its class, the roomy, reliable **Fleet Portable Toilet** has appeal for multiple markets. Foremost, it's a must for occasions looking to add a touch of class. The efficient use of a corner tank allows for the Fleet Mobile Restroom to offer more amenities, including sink and non-splash urinal. Users at other types of events will benefit from the design as well. For example, the Fleet offers more space for parents with children, more room for construction workers with bulky or winter gear.

No matter what the situation, the [Fleet Portable Restroom](#) is tough and its sleek interior and exterior surfaces make maintenance quick and easy. Add PolyJohn sinks and sanitizing stations for total comfort. For a higher service level, the Fleet can be upgraded to include Fresh-Water Flush, Recirculating Flush, and City Mains connections.

Features: - Maximum ventilation - Spacious design - Anti-slip floor surface - Occupancy signal latch - Two tissue rolls -

Sanitary seat deck and floor design - Translucent roof for better lighting - Corner tank - Non-splash urinal
