Product Description

Made with a solid sheet plastic top specifically designed for use by children. The top allows children to write or play at the table. The seats are made with 2" x 4" Resinwood slats and the black support structure is made from a combination of 2" x 6" and 2" x 4" Resinwood slats. In addition to the standard Cedar & Green colors this table is available in custom colors for quantity orders.

- Zinc coated hardware included - Stainless steel hardware available
