Product Description

The Premier Pedestal Table provides a classic look combined with rugged durability. The table features a 47.5" square table top with extra wide cantilevered seats that can accommodate up to 4 adults or 8 children. The single 4" steel pedestal allows for easy ground maintenance.

The table top is constructed from closely-spaced 3/16" x 1 1/2" steel slats that can be fitted with an optional silk screened checker board suitable for either chess or checkers. All hardware on this table is stainless steel and the thermal powder coating assures long-lasting beauty.
