Dimensions: 40"W x 35"H

Capacity: up to 2 bikes per rack

Frame: 1.9" Pipe

Product Description

Clean lines and simple functionality make the Round Bike Rack welcome addition to bike parking. Much like a Hoop Rack, but with a more stylish appearance, the Round Rack enhances public spaces while providing secure parking for two bikes. Perfect for smaller applications and short-term parking at schools, churches, and small businesses. Stainless steel option available. Please call for quote.
