Product Description

The Rustic Dog line is designed to bring out your dog's wild instincts and allows them to run and play in a more natural environment. The Rustic Dog Log Tunnel comes in 4' and 6' lengths and has a peep hole that lets light in and allows the owner to keep an eye on their dog. Dogs will love running through the tunnel and playing peek a boo with their friends! Made from high quality Glass Fiber Reinforced Concrete these tunnels can withstand almost anything.
