Product Description

With the Sit-N-Spin, you'll have the perfect playground spinner to attract those whirling dervishes, allowing them to pirouette to their heart's content. The wavy lip around the top provides a place for a child's legs to rest and get a grip before that first big spin, making the Sit-N-Spin comfortable as well as safe. Taking up a very modest amount of space, the Sit-N-Spin can fit on almost any playground space. It provides a freestanding spinning component for everyone from preschoolers to tweeners, where they rotate on their own or take turns seeing who can spin the most amongst their friends.
