Price: \$189.00

**SKU:** smokerspole

**Product Page:** <https://www.terraboundsolutions.com/product/smoker-s-pole/>

## Product Summary

**Dimensions:** 12 1/2"W x 41"H

**Weight:** 20 lbs.

## Product Description

These Smoker's Poles are a space-saving solution to control cigarette waste. The oxygen-restricted design helps to extinguish cigarettes and its durable aluminum construction makes it exceptionally safe for use.

It features a recessed extinguishing screen that prevents ashes from falling to the ground. The pole empties easily with no tools. It has a water-resistant, powder coated finish and weighted base for stability.

- Textured, powder coated finish - Charcoal and bronze colors available - 4 1/2 gallon liner capacity
