Product Description

The Wall-Mounted Hand Washing Station is an outdoor hand sink that is barrier free and ADA compliant, making it easy for all persons to use. The bowl is equipped with a sensor activated faucet to minimize contact and reduce the spread of germs. This sink comes in either a Stainless, Green, Red, or Blue powder coat finish. Optional soap dispenser is available for an added cost. This very functional sink will be a convenient asset to any park, nature trail, or other outdoor setting.

Features:

- 16-gauge stainless steel bowl on a 12-gauge stainless steel pedestal and arm
- Stainless steel, sensor activated faucet
- ADA Compliant
- Multi-stream laminar flow to reduce splashing

- Vandal-resistant
- 100 mesh inlet strainer
