

Radical Rotator

Meets National Standards for: ✓ ASTM F1487-17 ✓ CPSC Guidelines #325

Product Description

Adding a bit of spice to any playground, the Radical Rotator offers a ride that is just as exciting as its appearance. The merry-go-round is adorned with a distinctly angled set of bars to hold on to. Appearing to be random, the central bars are arranged in an equal pattern that creates a square central space with four equal trapezoidal shapes on each edge. Each slice is the perfect size for a child encouraging children to take turns rather than piling on together. The innermost section allows for beginners the reassurance of four bars to hold onto. Children will work their whole body as they run to push the merry-go-round which is designed to stay at a speed that they can handle. Whether the child is a young child along for the ride at daycare, or a rambunctious older child playing with their friend, the Radical Rotator will be fun.

Product Specifications

Model Number: PFS059

Product Type: Merry-Go-Rounds

Age Range: 2-12 years

Child Capacity: 1-6

Fall Height: 12"

Safety Zone: 23' 7" x 23' 7"
